We appreciate the trust you have placed in us. While the situation with COVID-19 evolves, and we all work through the safety protocol and measures, we are taking efforts and doing our part to protect our customers and our teammates.

Before taking these precautionary measures, we reviewed and ensured that our team members can work effectively and productively to continue serving you despite some inconveniences each of us may encounter as we manage through this situation.

Our lobby is open with restricted access to drop off or pick up documents.

Client drop-offs can also be done using the drop-box located on the side porch.

This box is secured, and documents will be retrieved from it throughout the work day.

Completed tax returns will be available for pick-up from our office. Please call ahead, and we will make arrangements so that we can safely and securely provide the tax returns.

Any clients who need appointments should call the office to schedule a phone conference with our staff.

We will continue to have staff available Monday – Friday 8am-5pm. If you would like to speak to the front desk while you are dropping information off, please feel free to call!
